Product Description

BISSELL CleanView Rewind - 3676

Tackling all of life's messes should be this easy! BISSELL® CleanView® Rewind is a powerful lightweight upright vacuum cleaner that packs a multi-surface cleaning punch and lets you maneuver easily from room to room. Our OnePass™ and Scatter-Free Technology allows you to clean carpets simply on the first pass*, and clean debris from hard surfaces with less scatter. Vacuum confidently, knowing you're picking up even hard-to-see debris. And since we know messes are not confined to your floors, our Active Extension Wand and TurboBrush® Tool enable you to reach any mess with ease. When you're done cleaning, clear the Easy Empty™ dirt tank straight into the trash with just the push of a button, then press another button for effortless Automatic Cord Rewind. Its washable filters and multi-level filtration system keep the CleanView® vacuum running like new, so it's ready to clean whenever and wherever messes happen. BISSELL proudly supports BISSELL Pet Foundation® and its mission to help save pets. When you buy a BISSELL® product, you help save pets, too. We're proud to design products that help make pet messes, odors, and pet homelessness disappear.
