### Product Description

## Weber Genesis SP-S-325 Gas Grill

Comprehensive, versatile, and proudly made in the USA with globally sourced parts, the newly designed Weber GENESIS SP-S-325 gas grill is a game changer. It combines upgraded features with unmatched performance to elevate your grilling experience. With 9mm stainless steel cooking grates and a patented rectangular design for the ported burners, this grill is efficient, precise, and reliable. Plus, with integrated LED lights in the lid handle and improved space and cleanup features, the Weber GENESIS makes grilling seamless and hassle-free.
